

Grand Knight's Report

Are you a doer?

Many of you may not know this because of the eloquent speaking I do at the General meetings, but I am not a good speaker. It's hard to believe, I know, but it's true. I would rather do than talk about it. I am a doer.

- We have the Life Chain coming up on October 5th, south side of 'O' street from 49th to 50th 2:30 – 3:30 PM
- 40 Days for Life runs from Sept. 24 to Nov. 2, Prayer and Fasting for Life.
- We need more volunteers for the Right to Life Prayer House from 2-10PM on Thursdays during these 40 days. Sign up in the vestibule.
- October is the month of the Rosary. We are saying the Rosary every weeknight for the month at 6:30 PM, sign up in the vestibule.
- Corporate Communion is Oct. 12 at the 8:30 Mass, reserved pews up front for Knights and families, wear 'Proud to be a Knight' nametags.
- Knights Open House is also Oct. 12, Ask someone to join the Knights. Hand out brochures after all masses, coffee and rolls after all masses.
- October 18 we will finish grounds cleanup and the Marian Sisters House.
- Our council needs a Basketball Concessions Coordinator to coordinate workers for the games; proceeds help the council support our Church, Virtue Media and Vocations. Consider this worthy position.

Our council does very well, but lately it seems to be just getting by. We need more doers; so I will ask again...

Are you a doer?

Mark your calendars and be a doer, we need you.

Fraternally,
Grand Knight Craig Arent

The Advantages of Children's Policies

It's quiet at home, now that the kids have gone back to school. If you and your spouse have sufficient life insurance for yourselves (I can help you to determine whether or not you do), you may want to investigate policies for your children.

There are a variety of reasons why the Knights of Columbus encourages members to consider purchasing policies for their children. The most important one is that someday, your children will go off to college, start careers, buy homes, get married, and have families of their own. By starting low-cost children's policies now, you can help them meet this future need.

A guaranteed purchase option rider gives your child the option to purchase additional coverage on six future occasions without evidence of insurability. Exercising a GPO option will cost much less than if they have to purchase their own policies as adults.

Moreover, if your child develops a medical condition later on, you've basically "guaranteed her insurability," and any medical condition won't be an obstacle to obtaining additional coverage at standard rates.

Last, but not insignificantly, the cash value of a permanent life insurance policy is one more source of funds for meeting your child's future financial needs. What's more, the cash value increases over time and any dividends declared will increase these values.

Helping to secure a more financially stable adulthood tomorrow for a member's child today is a worthwhile endeavor for a fraternal benefit society such as the Knights of Columbus. It's also a logical extension of our Order's mission to "Make a Difference for Life." Talk to me to find out more.
